GROUPS MAINTENANCE

Landscaping is an art, as much as it is a service.

SERVICE OFFERING

Hard & Soft Landscaping

We are able to offer a full design and build landscape service for any size project, using our in-house landscape architect and skilled landscape operatives, including living walls and exterior plant displays.

Grounds Maintenance

We offer an innovative grounds maintenance service adding value to your landscape assets through a programme of quality and proactive maintenance management.

External Cleaning & Cleansing

Everything from car parks to public spaces, we are able to ensure everything is clean and safe at all times

Tree Surgery

Whether its felling, pruning or stump grinding, our tree surgeons are able to handle all your arboricultural needs.

Interior Plants & Displays

We can provide all your office and interior plant requirements, including beautiful floral displays to brighten up your reception areas, seasonal displays and Christmas Trees.
